WELCOME TO ATTRA

ATTRA Natural Stone is a leading manufacturer of premium marble, limestone, and travertine, proudly based in İzmir, Turkey. With over 40 years of experience, we serve the construction, architecture, and design industries with high-quality natural stone products.

Our mission is clear: to provide exceptional materials, dependable service, and design-focused solutions — on time, every time.

We carefully select our raw materials from sustainable and reliable quarries, ensuring a stable and long-term supply for our clients.

Our modern production facility meets global quality standards and utilizes the latest technology to deliver precise and durable finishes — including honed, brushed, tumbled, sandblasted, bush-hammered, flamed, and custom surface options.

Environmental awareness is central to our operations. Our factory is strategically located between key quarries and shipping ports to reduce emissions. We have implemented solar energy systems and water recycling processes to minimize our environmental impact.

Built on decades of experience, committed to integrity,

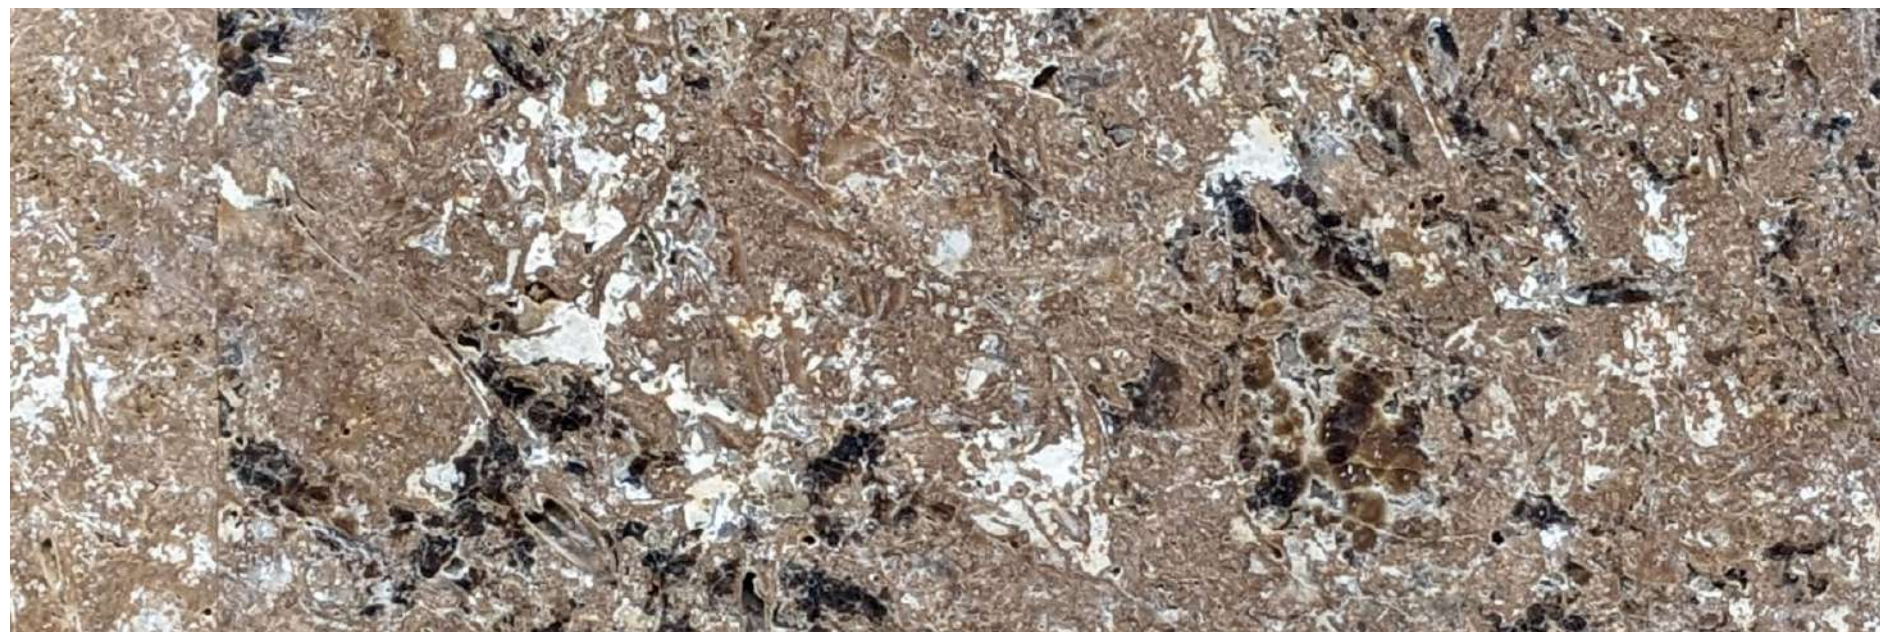

We are ATTRA
